

# Engelbert Humperdinck – Love Will Set You Free

(2012 Eurovision Song Contest – UK Entry)  
Martin Terefe & Sacha Skarbek

The song is in Waltz time (3 to a bar). The guitarist plays the Intro and Verses with an open-D drone in the bass. Also, note that Cb is the same chord as B – confusing eh?!

## Intro

| Dm | A7sus4 | A7 | Dm |

## Verse 1

Dm A7sus4  
So graceful and pure, a smile bathed in light  
A7 Dm  
No matter the distance, a miracle of sight  
Dm A7sus4  
Though I should have known, I could not turn away  
A7 Dm  
When faced with your beauty, no reason can stay

## Pre-chorus

Gm A7/C# Dm Dm/C  
As you kiss him in the moonlight  
E A  
With heavy words I say

## Chorus

Bb F C Dm  
If you love someone follow your heart  
E7/G# A A/G  
'Cause love comes once, if you're lucky enough  
Bb F C Dm  
Though I'll miss you forever, the hurt will run deep  
Bb C Dm  
Only love can set you free

## Verse 2

Dm A7sus4  
Trust in your dreams, run with no fear  
A7 Dm  
And if you should stumble, remember I'm near  
Dm A7sus4  
As a ghost I will walk, I'll look deep in my soul  
A7 Dm  
I might find another, you gave me that hope

### Pre-chorus 2
