Verse 1

Intro:

[Part A]

[A]:

Slain, by your zirconium smile
I was slain by your olivine eyes,

Slain, I was lying in piles,
Hoping shovels would cast me in.

[B]:

Furnaces burn everlasting,
Black tattoos of you on to me.

Furnaces burn everlasting,
Black tattoos.

[A]:

Burn, brand my memory,
Black tattoo of you.

Wash me with your mouth,
Brackish bright water from your eyes.

[B]:

Homing pigeons fly
To hover by your window white and shy.

Homing pigeons fly
To hover by.

Interlude:

[A]

[B] (Play last bar 3x)

[A]:

Spill my ashes to the wind.
Ghosts gather what they found (ghosts will gather what they found)

Now we can struggle in the web
We can struggle

[B] (Play last bar 2x, come to a slow and end on a G strum):

With white spider stars come down.
And night blowing black from the ground.

With white spider stars come down.
And night blowing black from the ground.
